**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic, one of the providers that would no longer be available who use unbundled copper and inter-city fiber transport elements (UNEs) as a competitive provider.

If UNEs are eliminated there will be price hikes that will increase the cost of my internet and telephone services.

Broadband is critical to me because I do not want to have to use the over-priced options. I don't use what they offer. I don't want to pay for it.

Thank you for the consideration.
